Flush or Surface

Residential Enclosures are not equipped with modular devices (customised assemblies are made to order). The Gamma range, Media Hub, Vega and Vector Enclosures are surface mounted. Golf Enclosures are available as surface or flush mounted. The Volta Enclosure is flush mounted. Our Enclosures conform to the EN 61439-3 standard.

Gamma Enclosures

- IP30 surface mounting enclosures 1 to 4 rows.
- Gamma 13 Enclosures have from 13 to 52 modules
- Gamma 18 Enclosures have from 18 to 72 modules (Screw-type terminal bars cannot be fitted to Gamma 18 enclosures).
- IP 30 - IK 07 (without door), IP40 - IK07 (with door).
- Insulating chassis and frame.
- Pre-marked cable entries on top, bottom and side.
- Delivered with marking strip and blanking clips.
- Conforms to IEC 61439-3.

Volta Enclosures

- Flush mounted enclosure with metallic door, 1 to 4 rows, 12 to 48 modules.
- Cover quickly connected with 90° screw, sealable.
- Reversible frame with 15mm perpendicularity adjustment and integrated spirit level.
- Reversible door with integrated handle.
- Frame height 9mm, brass terminal, side cabling.
- Conforms to IEC 61439-3.

Vega Enclosures

- Surface enclosures with opaque or transparent doors, 1 - 4 rows, 18 - 72 modules.
- The chassis is removable one at a time and the DIN rails are removable one by one, using the clips. DIN rails can be lowered to accommodate devices with higher shoulder. Cabinet offers extra cabling space.
- IP40 (with door) / IK07
- Conforms with EN 60670-24 and EN 61439-3.

Golf Enclosures

- Surface or flush mounted distribution box from 1 to 4 rows (surface: from 4 to 72 modules, flush: from 4 to 48 modules).
- Door can be fitted on right or left without dismounting the cover.
- Door opens up to 180º.
- Enclosure can be installed either way up.
- Cable entries for cable, conduit and trunking.
- IP40 (with door) / IK07.
- Conforms to IEC 61439-3.

Vector Enclosures

- Surface mounting enclosure with transparent door
- 1 to 4 rows from 2 to 48 modules
- 1 to 3 rows from 18 to 54 modules
- Adjustable DIN rail for shoulder 47 & 63mm
- Transparent hinged cover (2 - 10) or door (12 - 54)
- 2 lateral knock outs for cable entry/coupling pieces
- Delivered with loose cable bushes
- Colour : light grey RAL 7035
- IP65 IK07 < 12 modules (IP65 when fitted with IP65 rated cable glands)

Media Hub

- Media Hub can be created from any of our residential enclosures.
- These enclosures come pre-equipped with specified modular devices.
- Used for wired telephone and data distribution, particularly useful where data security is important.
