At A Glance

Sollysta Wiring Accessories

Designed to inspire confidence, Sollysta's timeless design combines aesthetics without compromising on functionality.

Decorative Finishes

Sollysta Decorative wiring accessories are available in 2 finishes; brushed steel and polished steel, with white or black inserts.

The Sollysta Family

Sollysta offers wiring solutions for any application with our White Moulded, Decorative, Grid, IP66 and Metalclad ranges.

Loop Terminal

Sollysta switches come with a unique patented neutral loop terminal to provide easy neutral conductor termination at a workable height for installers.

Easier

Terminals on the back all face in the same direction, removing the need to rotate the product during installation.

Same Features Throughout

Features remain the same across all ranges of Sollysta wiring accessories.

You know that you're getting a reliable, quality solution, whatever the range.
